#### **INTRODUCTION**

 In line with Section 46, Sub-section 3 of the Local Government Act, 1993, Act 462 and LI 1961, District Assemblies are mandated to prepare and submit their composite Budgets to the Ministry of Finance for integration into the National Budget.

Section 92 (3) of the Local Government Act 1993, Act 462 envisages the implementation of the composite budget system under which the budget of the departments of the District Assembly would be integrated into the budget of the District Assembly. The District Composite Budgeting System would achieve the following amongst others:

- a. Ensure that public funds follow functions to give meaning to the transfer of staff transferred from the Civil Service to the Local Government Service.
- Establish an effective integrated budgeting system which supports intended goals, expectation and performance of government at the local level;
- c. Deepen the uniform approach to planning, budgeting, financial reporting and auditing.
- d. Facilitate harmonized development and introduce fiscal prudence in the management of public funds at the MMDA level.

In 2011, Government directed all Metropolitan, Municipal and District Assemblies (MMDAs) to prepare for the fiscal year 2012, Composite budgets which integrated budgets of departments under Schedule I of the local Government (Departments of District Assemblies) (Commencement) Instrument, 2009, (L.I.1961). This policy initiative would upscale full implementation of fiscal decentralization and ensure that the utilization of all public resources at the local level takes place in an efficient, effective, transparent and accountable manner for improved service delivery.

The composite Budget of the Kwahu East District Assembly for the 2015 Fiscal Year has been prepared from the 2015 Annual Action Plan lifted from the 2014-2017 DMTDP which is aligned to the Ghana Shared Growth and Development Agenda.
