### PART B: BUDGET PROGRAMME SUMMARY

### PROGRAMME 1: MANAGEMENT AND ADMINISTRATION

### 1. Budget Programme Objectives

- ✓ To coordinate the functions of the departments of the Assembly
- ✓ To foster improved relations between the Assembly and Stakeholders

### 2. Budget Programme Description

The management and administration programme encompasses the general administrative support services, provision of financial and logistic inputs, planning, budgeting and monitoring as well as the quality human resources needed to achieve the objectives of the Assembly.

### **PROGRAMME1: Management and Administration**

### SUB-PROGRAMME 1.1 General Administrations

### 1. Budget Sub-Programme Objective

The objective of the General Administration sub programme is to provide support services to the departments of the Assembly by serving as a secretariat and the link between all the departments, and ensure effective implementation of the local government service act.

### 2. Budget Sub-Programme Description

This sub programme seeks to ensure effective coordination, supervision, reporting and management of both human and financial resources.

General Administration comprises: Administrators and Records Unit, as well as the Radio Operations Unit.

The beneficiaries of the sub programme are the departments of the Assembly as well as the stakeholders. The staff strength under this sub programme is ten (10). Some of the key issues of this sub programme include non-availability of funds, lack of understanding of the decentralization system by some departments as well as low capacity and technical expertise of other junior staffs.

### 3. Budget Sub-Programme Results Statement

The table below indicates the main outputs, its indicators and projections by which the Denkyembour District Assembly measures the performance of this sub-programme. The past data indicates actual performance whilst the projections are the Assembly's estimates of future performance.

### SUB-PROGRAMME 1.2 Finance and Revenue Mobilization

### 1. Budget Sub-Programme Objective

The objective of this sub programme is to ensure effective and efficient resource mobilisation and utilisation.

### 2. Budget Sub-Programme Description

The Finance sub programme is to ensure fiscal decentralization through effective and judicious use of the Assembly's resource. Other organizational units involved are the Budget unit, the City Guards as well as other third party revenue mobilization forms in the District. The activities of the sub programme would be funded through the IGF. Beneficiaries are the departments of the Assembly and the general public. There is total staff strength of 9 working to achieve the objective of the sub programme. Key challenges include lack of resource for revenue mobilization and competent revenue collectors and the unwillingness of the rate payers to pay the levies imposed.

### **BUDGET SUB-PROGRAMME SUMMARY**

### PROGRAMME1: Management and Administration SUB-PROGRAMME 1.4 Planning, Budgeting, Monitoring and Evaluation

### 1. Budget Sub-Programme Objective

The objective of the Planning, Budgeting, Monitoring and Evaluation sub programme is:

To ensure effective implementation of all activities of the assembly.

To keep track of all on-going projects implemented by the Assembly.

To ensure effective use of financial resources.

To involve all stakeholders in the planning and budgeting process of the Assembly.

To Co-ordinate and collate all activities of the decentralised departments of the Assembly.

### 2. Budget Sub-Programme Description

The sub-programme seeks to ensure that all activities of the decentralized departments are planned and budgeted for in the Medium- Term Development Plan for implementation.

The programme seeks to collect, collate and analyze data and report for planning and budgeting. It also makes decisions, bye-laws, deliberations and adoption of plans, programmes and projects. Dissemination of information is also given out to the public. Transparency and Accountability is ensured.

All activates of the Assembly are monitored, reports are prepared and copies forwarded to the RCC, Ministry of Local Government & Rural Development and NDPC.

The Organizational Units involved are the decentralized departments, Civil Societies Organizations, NGOs, Zonal Councils, RCC, Ministries and the NDPC, CBOs, PWDs, Youth Association, Financial Institutions, Religious Bodies, Development Partners, Traditional Authorities, Media and Community members.

The Sub-programme is funded by Internally Generated Fund (IGF) District Assemblies Common Fund (DACF), and GOG.

The beneficiaries of the programme are the community members.

The Staff strength of the programme is 2 and it is adequate for the smooth implementation of the programme.

The challenge of the programme has to do with inadequate logistics such as vehicle for monitoring activities of the assembly.

### 3. Budget Sub-Programme Results Statement

The table indicates the main outputs, its indicators and projections by which the Denkyembour District Assembly would measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the DDA's estimate of future performance.

### SUB-PROGRAMME 2.2 Public Works, Rural Housing and Water Management

### 1. Budget Sub-Programme Objective

The objective of the sub programme is to develop infrastructure in the provision and management of effective and efficient infrastructures for the inhabitants of the District.

### 2. Budget Sub-Programme Description

The sub programme mainly involves markets structures, official residential and office buildings, lorry stations as well as issues relating to water management. This is to be delivered through proper planning, provision and management of infrastructure that would be easily accessible by the inhabitants.

Other organisational units involved in this sub programme are the Physical Planning department, DDA and the public. The sources of funding would include IGF, DDF, DACF and GoG. Beneficiaries are the staff of DDA and the general public. This subprogramme has a staff strength of 4. Key challenges include the untimely release of funds, especially from the Central government and logistics.

### 3. Budget Sub-Programme Results Statement

The table indicates the main outputs, its indicators and projections by which the DDA would measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are DDA's estimate of future performance.

### **BUDGET PROGRAMME SUMMARY**

### **PROGRAMME 3: SOCIAL SERVICES DELIVERY**

### 1. Budget Programme Objectives

The objective of the programme is to create effective and efficient organisations, build stronger communities and promote equal opportunities.

### 2. Budget Programme Description

The social services delivery programme provides guidance and technical assistance to agencies that provide direct services aimed at addressing issues of poverty, family violence and exploitation. Its addresses issues relating to access to education at all levels as well as environmental health and sanitation challenges.

**SUB-PROGRAMME 3.1** Education, Youth & Sports and Library services

### 1. Budget Sub-Programme Objective

The sub-programme is to increase education at all levels.

### 2. Budget Sub-Programme Description

To expand access to education and increase enrolment. This sub- programme would be delivered through the construction of additional classrooms and conducting in-service training for teachers.

The Directorate is made up of a central office (i.e.) District Education Office, headed by the District Director and four (4) units, each headed by an Assistant Director. The District is sub-divided into 5 circuits managed by Circuit Supervisors who are experienced professional teachers.

This sub-programme seeks to promote the development of formal education at all levels in the District. The Ghana Education Service Directorate in collaboration with the District Assembly shall facilitate the development of education in the District.

Educational Institutions in the District are funded by the Assembly through the District Assembly Common Fund and District Development Facility. The Basic Education system comprises of pre-schools, Primary and Junior High Schools – that is schooling for children between the ages of 2 and 15 years. Basic Education is predominantly provided by Government operated facilities and privately own Facilities. In the District, there are 46 Pre-schools, 51 primary schools, 44 Junior High Schools, 3 S.H.S/Tech/Voc.

The beneficiaries of the sub programme are Children of school going age and people in the Denkyembour District in general.

Key challenges include financial constraints, the time frame for completion of projects and inadequate logistics.

PROGRAMME3: SOCIAL SERVICES DELIVERY

**SUB-PROGRAMME 3.2 Public Health Services and Management** 

**Budget Sub-Programme Objective** 

Bridge the equity gaps in geographical access to health services.

**Budget Sub-Programme Description** 

The sub-program assembles and manages strategic national health programs relating to maternal, neonatal and child health, communicable and non-communicable diseases, occupational health and safety. It includes implementation of specific policies and programs aimed at conducting operational research and other interventions. It involves surveillance and disease control systems for communicable diseases consistent with national, bilateral and international expectations.

Furthermore, it provides support, monitoring and evaluation programs and projects in collaboration with the District Health Directorate and other health program implementing agencies with a view of promoting program effectiveness and efficiency. The programme also supports the procurement of drugs and vaccines and effective allocation of resource for efficient service delivery on HIV /AIDS and Malaria diseases targeted for eradication, diseases targeted for elimination such as Polio, Guinea worm, Oncho and enhance early detection, reporting and treatment of communicable disease. Specific focus will be on strengthening surveillance and epidemics preparedness with respect to cholera, meningitis, yellow fever and others.

The sub-program offers cost effective, efficient, and affordable and quality primary health services as close to the client as possible. It ensures efficient and effective

systems for prevention, detection and case management of communicable and non-communicable diseases as well as management of health services. These are carried out by the District health administration, Sub-District and CHPS compounds.

PROGRAMME3: SOCIAL SERVICES DELIVERY

SUB-PROGRAMME 3.3 Environmental Health and Sanitation Services

**Budget Sub-Programme Objective** 

Accelerate provision of improved environmental sanitation facilities and Promote health and hygiene education in all water & sanitation programs

**Budget Sub-Programme Description** 

The sub programme seeks to ensure effective hauling of waste within the District, improve upon cleanliness, promote safe disposal of the dead as well as interrupt into the transmission route of communicable diseases. The environmental health and sanitation services sub programme would be delivered through stake holder consultations between environmental health officers and the general public on sanitation related issues, supervision of waste management institutions and also the strict adherence to by laws in the District.

Collaborating units include the Central Administration, Transport Department, Zoom lion and the general public. Funding for this sub programme primarily is through the DACF and IGF. The beneficiaries of this sub programme are the general public and the District Assembly. Total staff strength of three officers would be involved in implementing the sub programme. Key challenges for the sub programme are the lack of protective clothing, the difficulty in maintaining the disposal sites during rainy seasons and insufficient trained personnel for the sub programme.

1. Budget Sub-Programme Objective

To promote integration and protection of the vulnerable, excluded and persons with disability. It also promotes self-reliance and self-efficiency.

2. Budget Sub-Programme Description

The sub-programme seeks to promote integration and protection for the vulnerable, excluded and persons with disabilities. It also admonishes self-reliance and selfefficiency to improve the general standard of living.

The programme is delivered through the implementation of LEAP Cash transfer and giving of support to needy students. Again, the programme on self-reliance and efficiency is delivered through establishment of income generation activities and performance of demonstration and food and handicrafts.

Other organizations involved in the delivering of the programme include the District transport unit, the District water and sanitation unit, planning unit and the National Health Insurance scheme.

The beneficiaries of the programme include persons with disabilities, needy but brilliant students and deprived communities.

The programme is funded through IGF, LEAP Cash transfer and GoG. The programme has staff strength of 9. The programmed is faced with several challenges which include inadequate logistics and funds.

SUB-PROGRAMME 4.2 Trade, Tourism and Industrial development

### . Budget Sub-Programme Objective

70 DENKYEMBOUR DISTRICT ASSEMBLY, AKWATIA E/R The objective of this sub- programme is developed and maintains tourist sites within the District for the social development of the inhabitants.

### 2. Budget Sub-Programme Description

This sub- programme seeks to, among other things, develop and maintain recreational facilities and identify tourist attractions within the Denkyembour District assembly. This would be done through identifying the major tourist sites within the District and developing them. Public sensitization would also be carried out to sensitize the citizenry on the various tourists' sites. The major stakeholders that would be involved here are the Central Administration, the Planning Unit as well as Department of Natural Resource Conservation. IGF would be used to fund this sub- programme. The general public would benefit from this programme. Currently there is no staff. Some of the key issue is untimely release of funds and lack of logistics to develop the identified tourist attraction
