PART A: STRATEGIC OVERVIEW OF THE ASSEMBLY

Establishment of the District

The Akuapem North District Assembly was established in 1988 by Legislative Instrument (L.I.) 1430 in pursuance of the Government's Decentralization Policy and Local Government Reform Policy with Akropong as its capital. The elevation from District to Municipal was in 2012 by L.I. 2041.

Population Structure

From the 2021 population and housing census it was established that the population of the Municipal was about 105,315 with an annual population growth rate of 1%, the estimated population of the municipal for 2024 is 108,506 and 109,613 for 2025

Vision

To be among the top 10 Assemblies in the provision of world class Municipal works and service.

Mission

The Municipal Assembly exists to improve the living conditions of the people through efficient mobilization and equitable distribution of resources to enhance local development.

Goals

The Municipal Assembly exists to improve the living conditions of the people through efficient mobilization and equitable distribution of resources to enhance local development.

Core Functions

The core functions of the Assembly as stated in Section 12 of the Local Governance Act 936, 2016 include exercising executive, deliberative and legislative functions. Specifically:

1. Initiate and prepare district development plans and settlement structure plans in the manner prescribed by the guidelines.

- 2. Ensure that the district development plans and the settlement structure plans are prepared with the full participation of the local community;
- 3. Carry out studies on;
- (i) Development planning matters in the district that include studies on economic, social, spatial, environmental, sectorial and human settlement issues and policies;
- (ii) The mobilisation of human and physical resources for development in the district.
- 4. Initiate and co-ordinate the process to plan, programme, budget and implement a district development plan, programme or project.
- 5. Integrate and ensure that sector and spatial policies, plans, programmes and projects of the district are compatible with each other and with national development objectives issued by the Commission.
- 6. Synthesize the policy proposals on development planning in the district into a comprehensive framework for the economic, social and spatial development of the district including human settlements and ensure that the policy proposals and projects are in conformity with the principles of sound environmental management.
- 7. Monitor and evaluate the development policies, programmes and projects in the district.
- 8. Provide the Commission with the data and information that they may require.

District Economy

Farming remains the major pre-occupation of the people. Crops mostly cultivated are cassava, plantain, cocoyam, maize and vegetables. Gari and palm oil processing are the only agro-processing ventures. A section of the people is also into commerce or Service Sector.

Agriculture

Agriculture being the mainstay of the economy of the Municipality offers employment to about 60% of the population. The Municipality is endowed with arable land suitable for cultivation of cassava, plantain, maize, pawpaw, oranges and vegetables such as cabbage, lettuce, carrots, sweet green pepper, okra and garden eggs. Livestock rearing is also done in the area

Road Network

Roads in the Municipality can be classified into 3 categories- first, second and third. The first represents asphalt, second being bitumen surfacing and the third as gravelled roads. The first-class roads start from Obosomase through Mamfe to Akropong. The second-class links Mamfe to Koforidua.

Energy

Almost all the communities in the Municipality are connected to the national grid.

Health

Akuapem North Municipality has one (1) Government Hospital, one (1) Private hospital, (31) community-based health planning and services (CHPS) compounds and 4 clinics.

Education

The Municipality has all the levels of Education – basic, second cycle and tertiary; with quite a number being privately owned: The public institutions constitute 75% whilst the private institutions constitute 25%. There are (3) three special schools in the Municipality as indicated below:

| NO | LEVEL | NUMBER OF | SCHOOLS | |
|----|------------------------|-----------|---------|-------|
| | | PUBLIC | PRIVATE | TOTAL |

| SPECIAL SCHOOLS | LOCATION |
|---|----------|
| School for the Blind | Akropong |
| Demonstration School for the Deaf | Mampong |
| Secondary Technical School for the Deaf | Mampong |

Market Centres

The Municipality has only one main Market, the Adawso Market. Market activities are mostly vibrant on Tuesdays and Fridays.

Water and Sanitation

The urban centers within the Municipality are mostly clean with refuse being managed by the Assembly through contracted service providers. Refuse containers are regularly carried to the final disposal site at Kwamoso.

Tourism

The Akuapem North Municipality is endowed with seven (7) interesting tourist attractions. These include Adom waterfalls at Obosomase, Aminapa waterfall at Akropong. There is also the first Training College in West Africa, the Presbyterian College of Education, Akropong. The Obom slave cave and ancient slave route at Obom, The over 50-year-old six-in-one palm tree at Saforo and the famous Tetteh Quarshie Cocoa Farm at Mampong, among other notable tourist sites.

Environment

The Municipality lies in the Semi-deciduous forest zone and temperatures range between 20 degrees Celsius and 32 degrees Celsius in March averaging 23.88 Degrees Celsius. The soil supports farming activities and the presence of rocks allow for stone quarry activities which are sources of income for some people.

Key Issues/Challenges

The key development issues in Akuapem North include;

- Poor Road Network.
- Poor Illumination/Inadequate Streetlights.
- Poor Sanitation and Environmental Management.
- Poor Educational Infrastructure.
- High Unemployment Among the Youth.
- High Post Harvest Losses
- High Cost of Input for Agricultural Production.

Revenue Mobilization Strategies

- ➤ Ensure participatory discussions and education on the Fee-fixing Resolution.
- > Create public awareness on the importance of paying taxes and levies.
- ➤ Build capacity of Revenue Collectors on Revenue Improvement Strategies and equip them to perform.
- ➤ Monitor and supervise Collectors by introducing strict Performance Indicators.
- > Renovate major Markets to encourage users to pay tolls.
- > Build a strong Revenue Taskforce to undertake Weekly Day-out revenue collection exercise with Management and Assembly members.
- Prosecute Defaulters to serve as deterrent to others.

PART B: BUDGET PROGRAMME/SUB-PROGRAMME SUMMARY

PROGRAMME 1: MANAGEMENT AND ADMINISTRATION

Budget Programme Objectives

- 1. To provide support services, effective and efficient general administration and organization of the Municipal Assembly.
- 2. To insure sound financial management of the Assembly's resources.
- 3. To coordinate the development planning and budgeting functions of the Assembly

Budget Programme Description

The program seeks to perform the core functions of ensuring good governance and balanced development of the Municipal through the formulation and implementation of policies, planning, coordination, monitoring and evaluation in the area of local governance.

The Program is being implemented and delivered through the offices of the Central Administration, Human Resources and Finance Departments. The various units involved in the delivery of the program include; General Administration Unit, Budget Unit, Planning Unit, Accounts Office, Procurement Unit, Internal Audit, Records management Unit and the Client Services Unit.

Total staff strength of Ninety-One (91) is involved in the delivery of the programme. They include Administrators, Budget Analysts, Accountants, Planning Officers, Revenue Officers, and other supporting staff (i.e., Executive officers, and drivers). The Program is being funded through the Assembly's Composite Budget with Internally Generated Fund (IGF) and Government of Ghana transfer such as the District Assemblies' Common Fund and District Assemblies Common Fund Responsiveness Factor (DACF-RFG)

SUB-PROGRAMME 1.1 General Administration

Budget Sub-Programme Objective

- To provide administrative support and ensure effective coordination of the activities of the various departments and other institutions under the Municipal Assembly.
- To ensure the effective functioning of all the sub-structures to deepen the decentralization process.

Budget Sub- Programme Description

The General Administration sub-programme looks at the provision of administrative support and effective coordination of the activities of the various departments through the Office of the Municipal Co-ordinating Director. The sub-programme is responsible for all activities and programmes relating to general services, internal controls, procurement/stores, transport, public relation and security.

The core function of the General Administration unit is to facilitate the Assembly's activities with the various departments, institution, and traditional authorities and also mandated to carry out regular maintenance of the Assembly's properties. In addition, the Municipal Security Committee (MUSEC) is mandated to initiate and implement programmes and strategies to improve public security in the Municipality.

The Internal Audit Unit is authorized to spearhead the implementation of internal audit control procedures and processes to manage audit risks, detection and prevention of misstatement of facts that could lead to fraud, waste and abuse to the Assembly.

Under the sub-programme the procurement processes of Goods and Services and Assets for the Assembly and the duty of ensuring inventory and stores management is being led by the Procurement/Stores Unit.

The number of staff delivering the sub-programme is sixty-four (64) with funding from GoG transfers (DACF, DACF-RFG etc.) and the Assembly's Internally Generated Fund (IGF). Beneficiaries of this sub-program are the departments, Regional Coordinating

Council, institutions, traditional authorities, non-governmental organizations, civil society organizations and the general public.

The main challenges this sub programme will encounter are inadequate, delay and untimely release of funds and inadequate logistics such as vehicles, computers and Furniture.

Table 5: Budget Sub-Programme Results Statement

The table indicates the main outputs, its indicators and projections by which the Municipal Assembly measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the Assembly's estimate of future performance.

SUB-PROGRAMME 1.2 Finance and Audit

Budget Sub-Programme Objective

- 1. To insure sound financial management of the Assembly's resources.
- 2. To ensure timely disbursement of funds and submission of financial reports.
- 3. To ensure the mobilization of all available revenues for effective service delivery.

Budget Sub- Programme Description

This sub-programme provides effective and efficient management of financial resources and timely reporting of the Assembly finances as contained in the Public Financial Management Act, 2016 (Act 921) and Financial Administration Regulation, 2004. It also ensures that financial transactions and controls are consistent with prevailing financial and accounting policies, rules, regulations, and best practices.

The sub-program operations and major services delivered include: undertaking revenue mobilization activities of the Assembly; keep, render and publish statements on Public Accounts; keep receipts and custody of all public and trust monies payable into the Assembly's Fund; and facilitates the disbursement of legitimate and authorized funds.

The sub-programme is manned by eleven (11) officers comprising of Accountants and Revenue collectors with funding from GoG transfers and Internally Generated Fund (IGF).

The beneficiaries of this sub- program are the departments, allied institutions and the general public. This sub-programme in delivering its objectives is confronted by inadequate data on ratable items and inadequate logistics for revenue mobilization and public sensitization.

SUB-PROGRAMME 1.3 Human Resource Management Budget Sub-Programme Objective

- To achieve institutional performance goals that are linked to the individual and team performance objectives, as the basis for measuring performance results and merit.
- To provide Human Resource Planning and Development of the Assembly.
- To develop capacity of staff to deliver quality services.

Budget Sub- Programme Description

The Human Resource Management seeks to improve the departments, division and unit's decision making and build capacity of the manpower which will ultimately improve the workforce and organizational effectiveness. In carrying out this sub-programme it is expected that productivity would be enhanced at the Assembly as well as decision making in the management of Human Resource.

Major services and operations delivered by the sub-program include human resource auditing, performance management, service delivery improvement, upgrading and promotion of staff. It also includes Human Resource Management Information System which ensures frequent update of staff records through electronic means, guaranteeing efficient and good salary administration, facilitation of recruitment and selection as well as postings of competent staff to fill available vacancies at the Assembly.

One (1) Human Resource Managers including two (2) support staff will carry out the implementation of the sub-programme with main funding from GoG transfer. The work of the Human Resource Management is challenged with the delay in release of funds and inadequate logistics. The sub-programme would be beneficial to staff of the Departments of the Assembly, Local Government Service Secretariat and the general public.

PROGRAMME 5: ENVIRONMENTAL MANAGEMENT

Budget Programme Objectives

To manage disasters by co-ordinating resources and developing the capacity
of communities to respond effectively to disasters and improve their livelihood
through social mobilization, employment generation and poverty reduction
projects.

Budget Programme Description

Disaster Prevention and Management programme is also responsible for the management of disasters as well as other emergencies within the Municipality. It seeks to enhance the capacity of society to prevent and manage disasters and to improve the livelihood of the poor and vulnerable in the rural communities through effective disaster management, social mobilization and employment generation.

Staffs from National Disaster Management Organization (NADMO) are undertaking the programme with funding from GoG transfers and Internally Generated Funds of the Assembly. The beneficiaries of the program include urban and rural dwellers in the Municipality.

SUB-PROGRAMME 5.1 Disaster Prevention and Management Budget Sub-Programme Objective

To manage disasters by co-ordinating resources and developing the capacity of communities to respond effectively to disasters and improve their livelihood through social mobilization, employment generation and poverty reduction projects.

Budget Sub- Programme Description

The National Disaster Management Organization (NADMO) section under the Assembly is responsible for delivering the sub-programme. It seeks to assist in planning and implementation of programmes to prevent and/or mitigate disaster in the Municipality within the framework of national policies.

The sub-program operations include;

- To facilitate the organization of public disaster education campaign programmes to create and sustain awareness of hazards of disaster and emphasize the role of the individual in the prevention of disaster.
- To assist and facilitate education and training of volunteers to fight fires including bush fires or take measures to manage the after effects of natural disasters.
- Prepare and review disaster prevention and management plans to prevent or control disasters arising from floods, bush fires, and human settlement fire, earthquakes and other natural disasters.
- To participate in post disaster assessment to determine the extent of damage and needs of the disaster area.
- Co-ordinate the receiving, management and supervision of the distribution of relief items in the Municipality.
- Facilitate collection, collation and preservation of data on disasters in the Municipality.

The sub-programme is undertaken by officers from the NADMO section with funding from the GoG transfers and Assembly's support from the Internally Generated Fund.

The sub-programme goes to the benefit of the entire citizenry within the Municipality. Some challenges facing the sub-programme include inadequate office space, untimely releases of funds and inadequate logistics for public education and sensitization.

SUB-PROGRAMME 5.2 Natural Resources Conservation and Management Budget Sub-Programme Objective

- To protect and sustainably manage the municipality's natural resources.
- To provide resource for future generation.
- To minimize the depletion of natural resources as well as the preservation of resources.

Budget Sub- Programme Description

This Sub-programme seeks to address the protection, preservation, management, restoration of natural environments and the ecological communities that inhabit them. The sub-programme is undertaken by officers from the forestry unit with funding from the GoG transfers and Assembly's support from the Internally Generated Fund. The sub-programme goes to the benefit of the entire citizenry within the Municipality.
